

CPR/First Aid & Water Safety Training for Adoptions in Los Angeles County

If you are adopting a child in Los Angeles County, you need to take Adult, Child, Infant CPR, First Aid and Water Safety training. We offer this training in your home for the cost of \$200.00 per couple. The CPR/First Aid certificates are good for TWO years and the Water Safety does not expire. The training takes only a few hours and the training is HANDS ON. You will need space to do CPR on the floor and wear comfortable clothes.

For those who don't need Water Safety Training, and you have a group of 10 or more, we can conduct CPR/First Aid training at your site for \$45.00 to \$50.00 per person depending on size of group.
